I have over 2 years of experience in the marketing and sales industry. However, my experience in the tech industry inspired me to take on a new challenge and learn how to code. I'm constantly looking for new experiences and knowledge that will better me as a person and professional.

PROFESSIONAL EXPERIENCE

Worldox, New Jersey — *Marketing & Sales Assistant*

NOV 2016- JUN 2017

– Ran Social Media pages & assisted with planning trade shows.
– Assisted the Sales Manager by providing high–level customer service and support with product expertise and advanced selling skills.

NimbleStack, New York — *Marketing Associate*

MAR 2016 - JUL 2016

– Managed various Social Media accounts. Designed content and led development team for the creation of two websites.
– Developed numerous conversational flow charts and created business plans for different chat bots.

Restorando, Buenos Aires — *Junior Communications Analyst*

AUG 2015 - JAN 2016

– Main contact for both Social Media and PR agencies: Final decision making on all social media posts in Argentina, Chile, Colombia, and Peru. Co–organizer of press events.
– Head of Trade Marketing: Responsible for distribution of POP material in the entire Latin American region.

Mars Marketing, New Jersey — *Marketing Intern*

MAY 2014 - JUL 2014

– Wrote blogs for websites; created mail out flyers for different clients; assisted in production for a nightlife event, served as a Spanish translator and assisted with any other everyday tasks.
